

KEVIN SAUNDERS HAYES

CREATOR | PRODUCER | COMPOSER | SONGWRITER

OVERVIEW

Kevin is an award-winning composer, songwriter, lyricist, producer, director, creator, artist advisor and creative consultant. Kevin creates, manages and directs creatives of all kinds with the explicit goal of delivering an original, one-of-a-kind experience that leaves a lasting impression.

As a composer Kevin has scored more than 45 feature films, including two Academy Award® nominated documentaries, and is the recipient of two 21st Century Filmmaker Awards for Excellence. He has also created, recorded and produced a large catalog of songs, including the title tracks to 12 feature films, and the book, music and lyrics for 15 stage musicals.

Kevin is also the creative force behind 11811, a production company dedicated to creating disruptive new entertainment that captivates audiences with a powerful shared experience.

Kevin has conceived, written and produced all the award-winning immersive and interactive Vox Lumiere experiences, as well as Graphic Novels Live and all of 11811's unique brands of entertainment into commercially successful franchises.

All of 11811's experiences have been heavily featured in the media, and honored with its own PBS Television Special and other dedicated programs. To date, Vox Lumiere's productions alone have performed over 300 shows in six countries to over one million adoring fans. For more information visit <http://www.kevinsaundershayes.com>
